Fuzzy Caterpillar song  
From Crocodile On The River Nile No.6 itunes

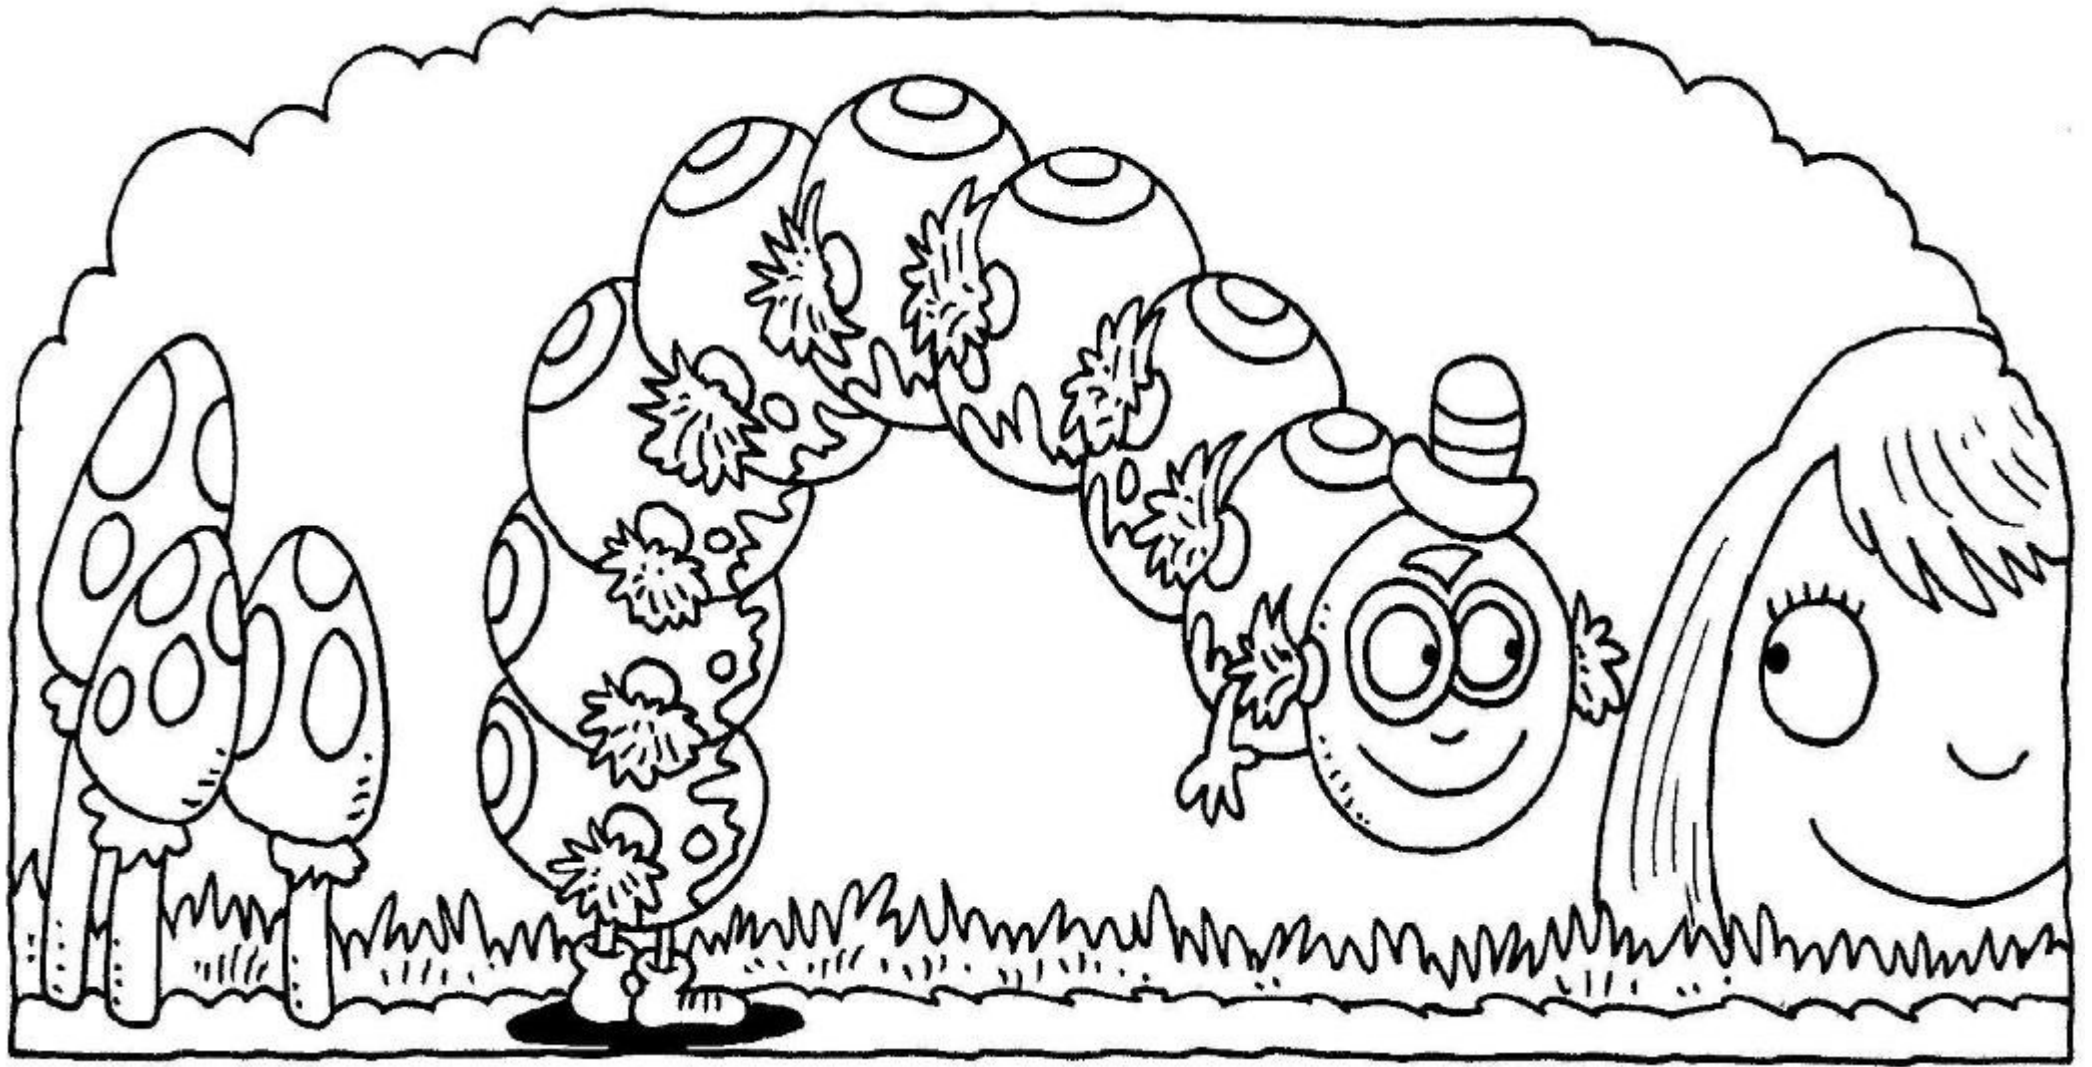

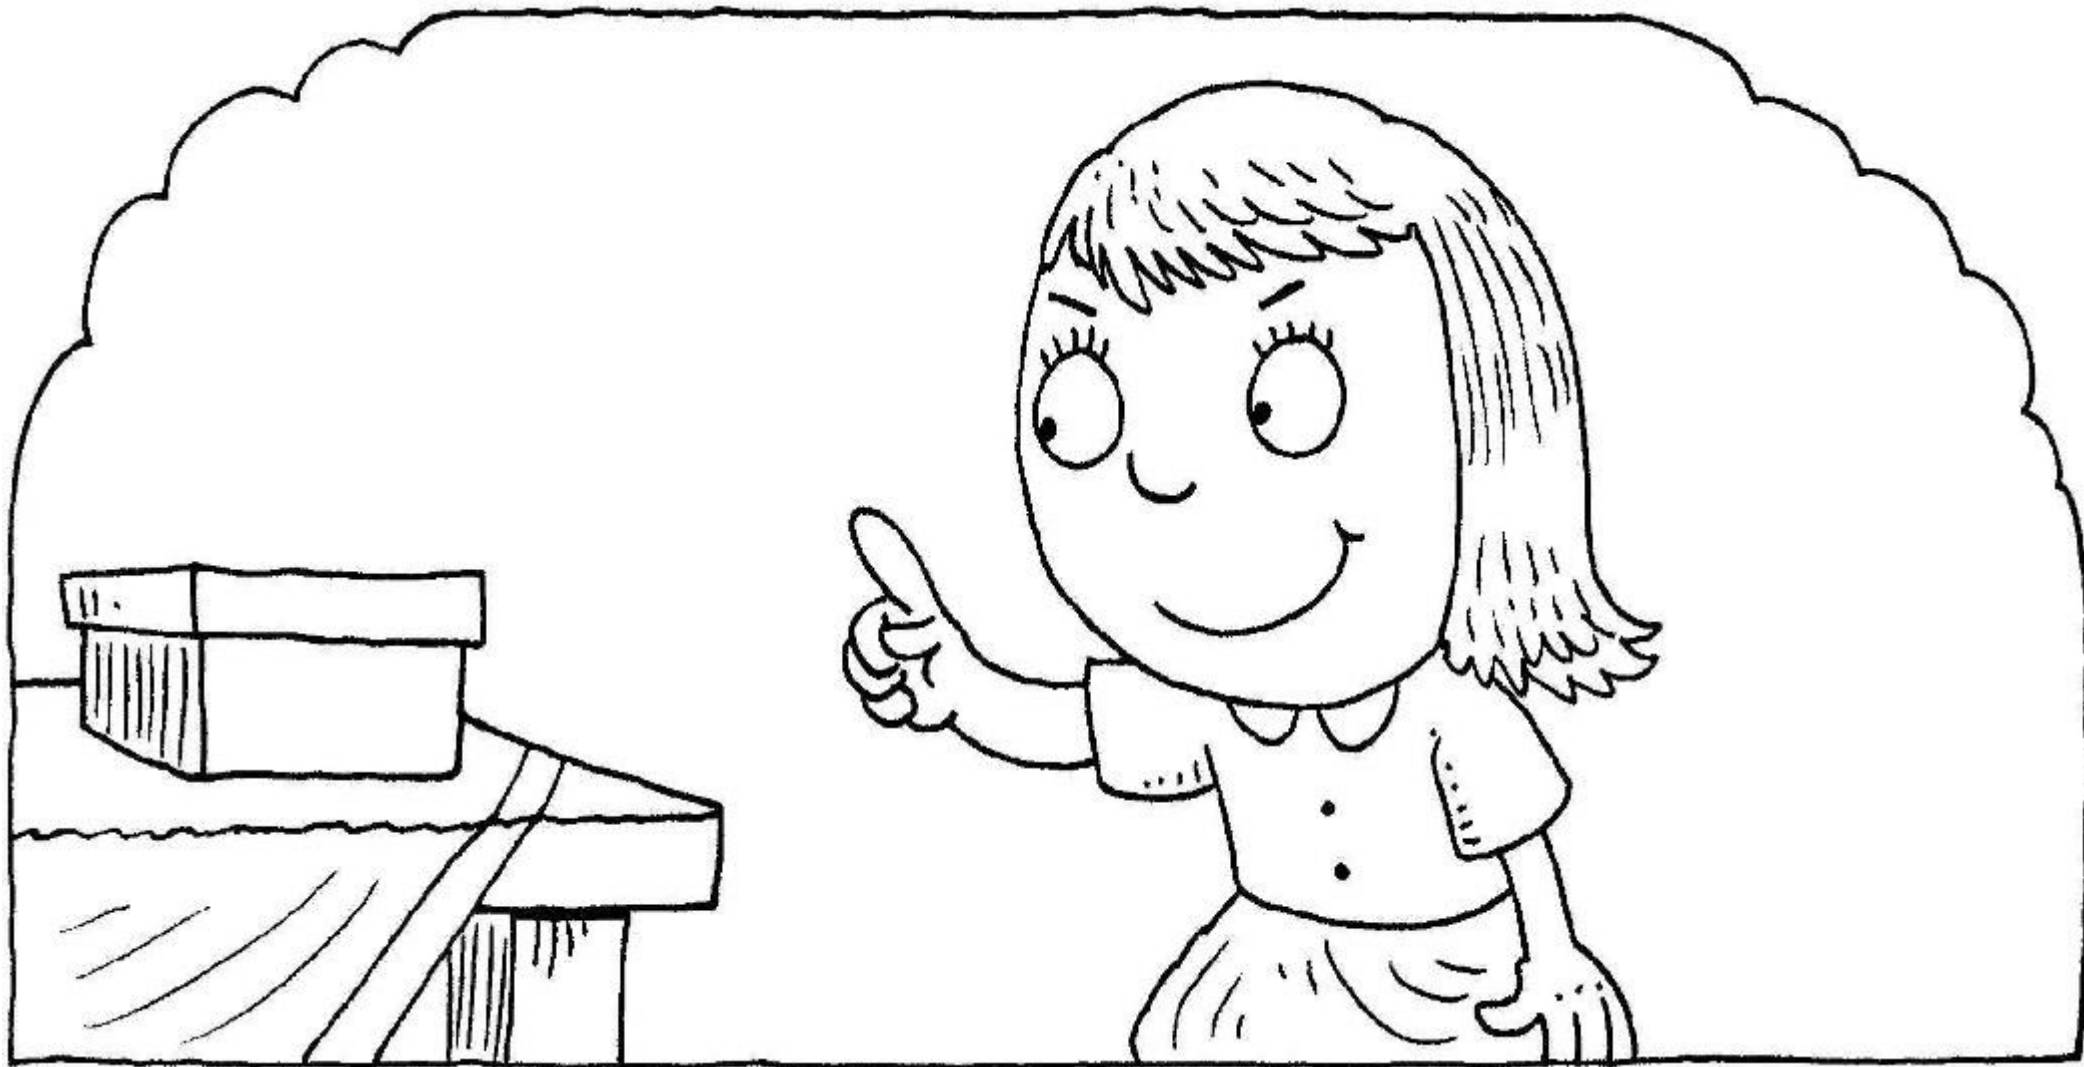

A fuzzy caterpillar  
wiggle finger  
Climbing up a tree  
walk finger up arm

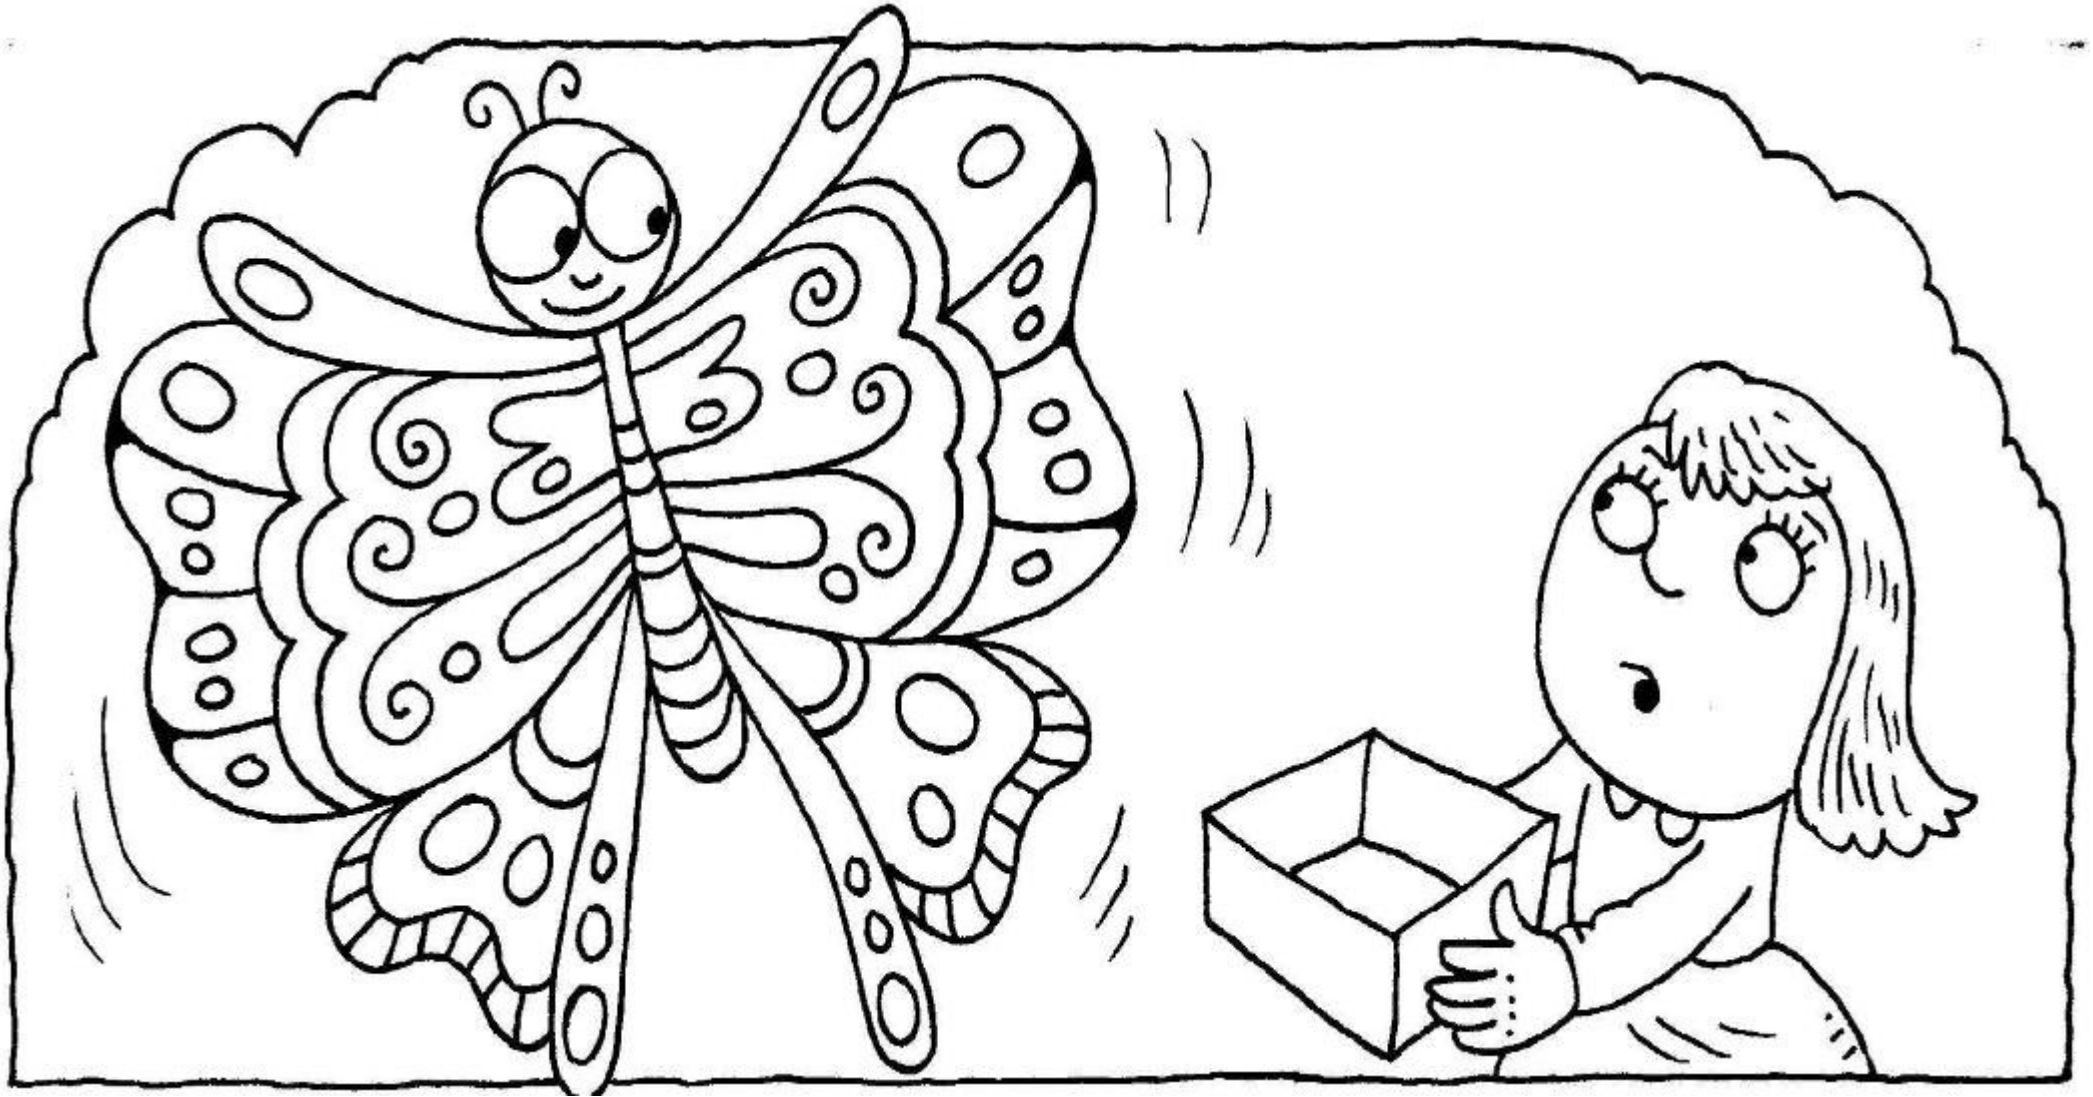

He wiggled long  
wiggly finger  
He wiggled short  
walk finger small

He wiggled  
wiggie finger  
right at me!  
towards nose

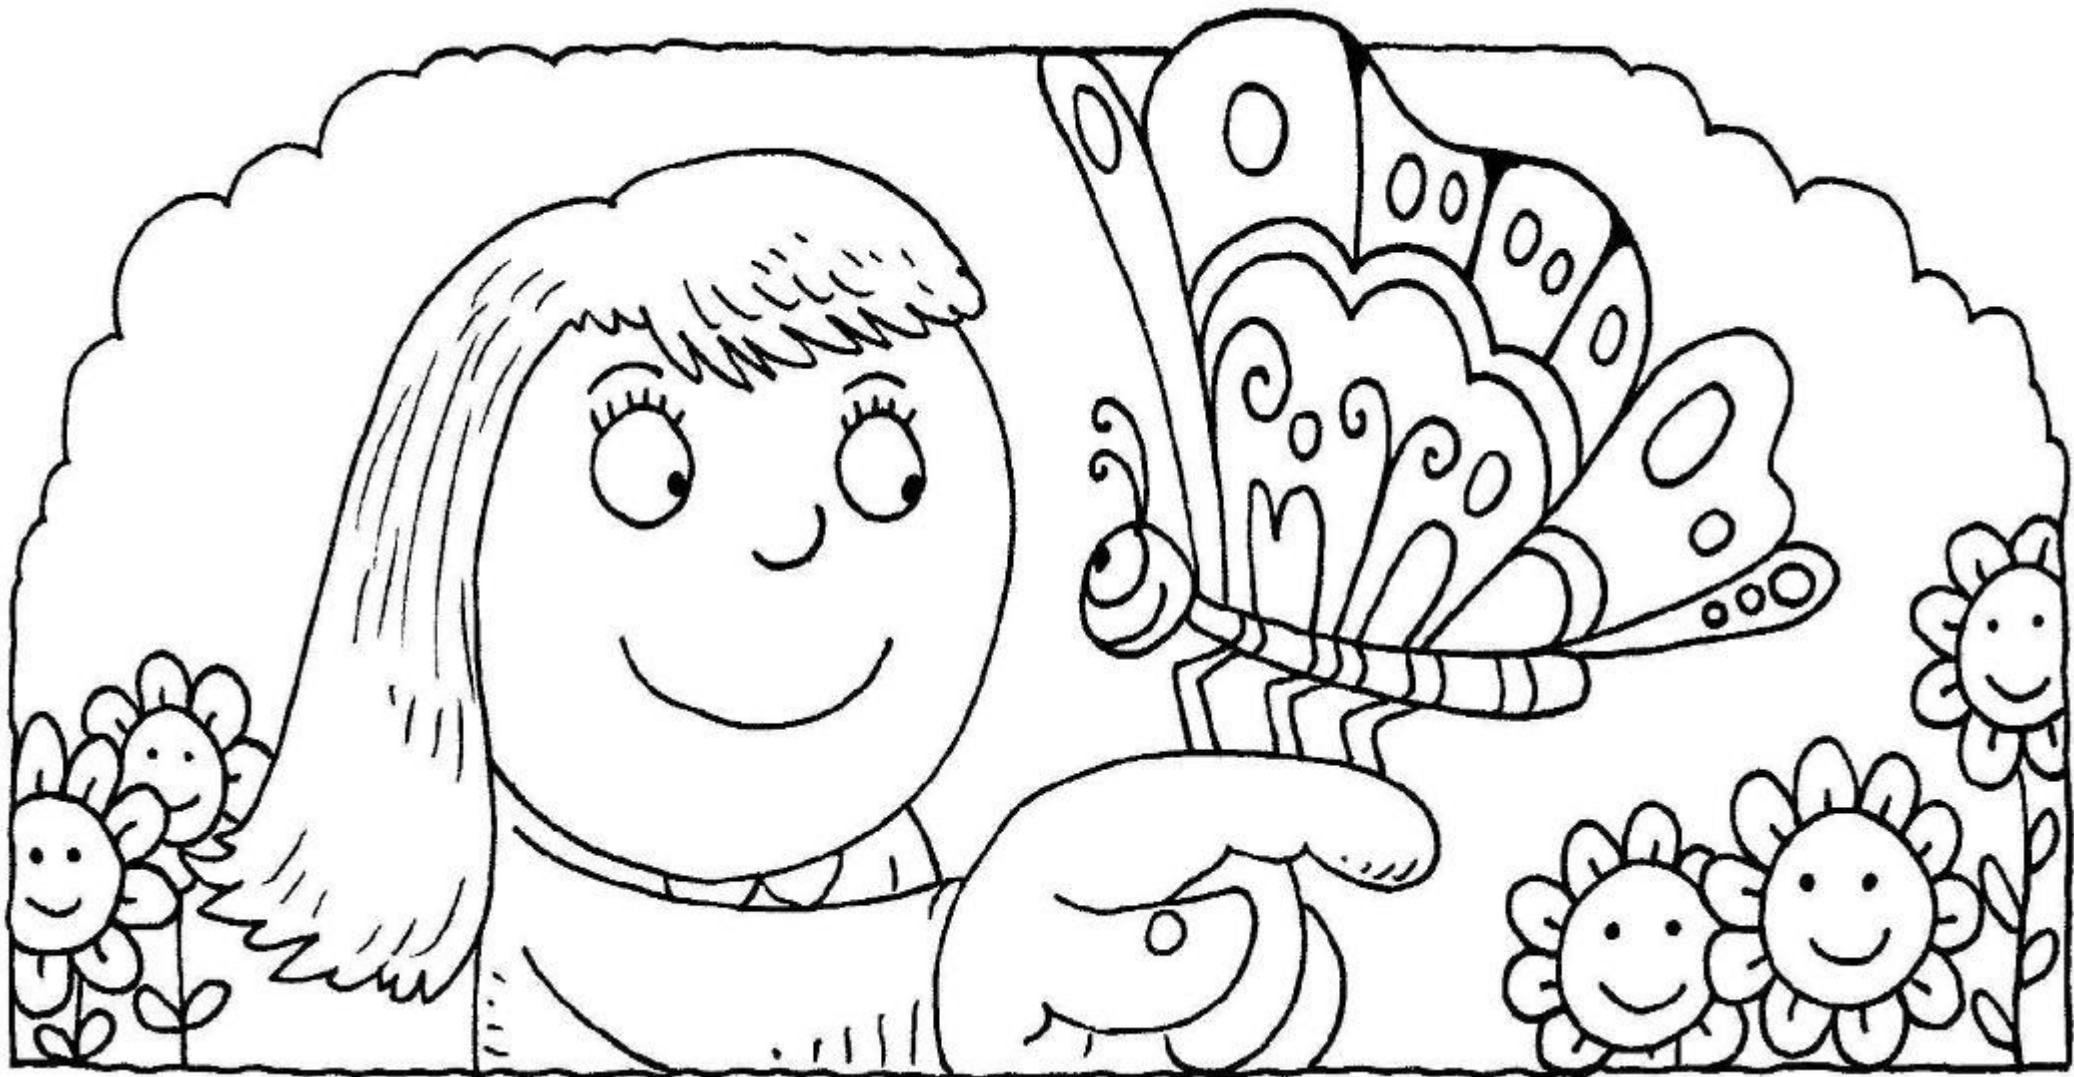

I put him in a box  
fore finger into palm - close fingers around  
“Don’t go away - don’t try!”  
wag finger

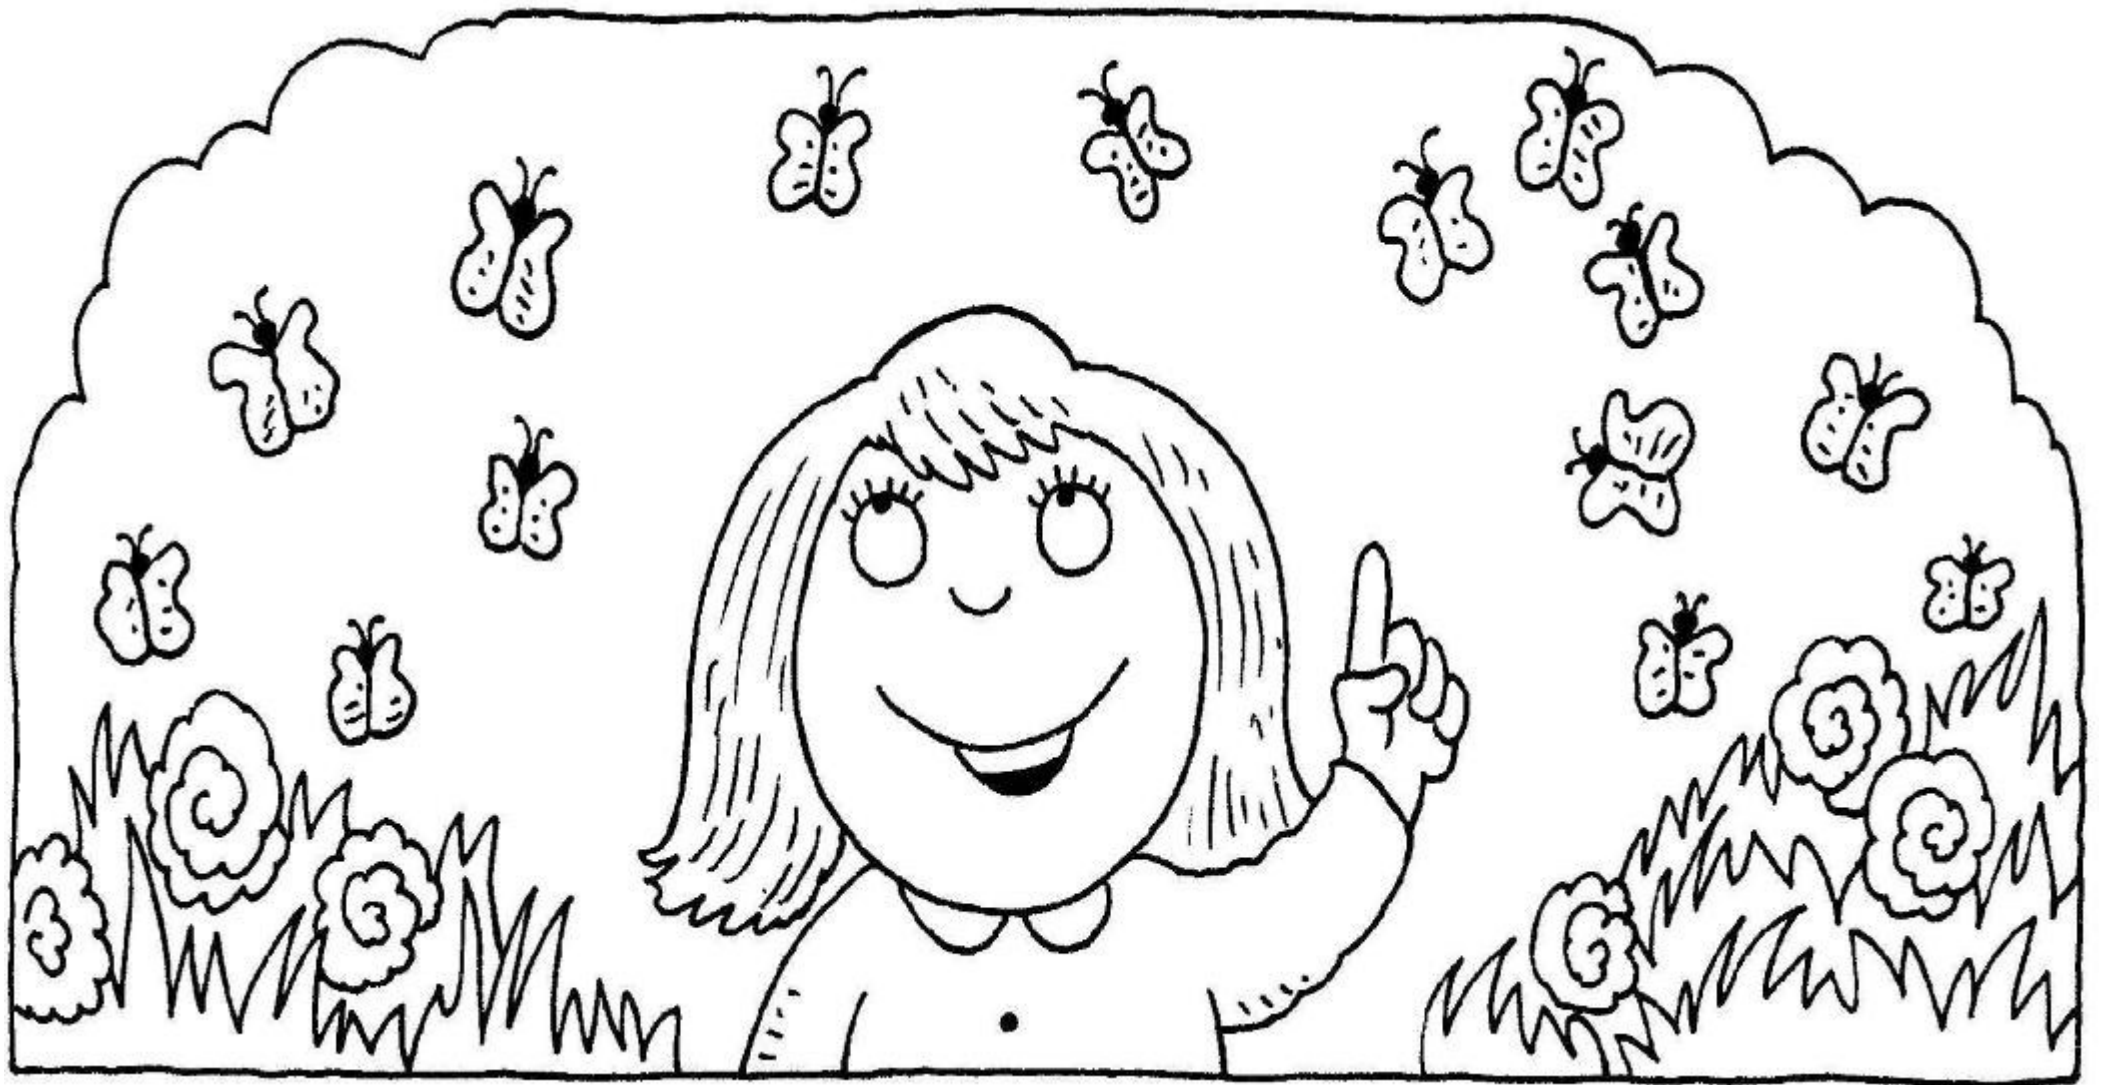

But when I opened up the box - Ooh!  
open fingers one by one—hands to face surprised  
It was a butterfly  
thumbs crossed make butterfly

I could never do that  
shake finger  
Even if I try  
palms open

Only God in heaven  
point upward  
Can make a butterfly!  
thumbs crossed 'fly' butterfly
