

15. Make Me Like A Tree

Nigel Cato 2001

Music arranged by Maak Bow

Make me like a tree
wave arms overhead
Planted by the river
clenched fists in downward movement
snake like movement with on hand(river)
A strong and healthy tree
wave arms overhead
Bearing fruit forever
Roots down deep in the soil of your love
fingers wide pointing down
Raindrops glisten on the leaves above
fingers raining
A welcome home for the heavenly dove
x thumbs "flap" fingers
Make me like a tree
wave arms overhead
Planted by the river of life
clenched fists in downward movement
snake like movement with on hand(river)
